## **ABOUT THE COLLEGE**

Institutions established in 1861, with the blessings of His Highness Mummadi Sri. Krishnaraja Wodeyar, the then ruler of Mysore state who laid the foundation to an educational institution in the core of Mysore city so as to make the town a center for education. It has been more than 160 years since the institution came into being. It has maintained the quality of education for decades now. It is commendable that the institution has adhered to its vision of working for the welfare of society via quality education. Sarada Vilas College was established in the year 1945 with Sri M.S. Ramaswamy as its founder principal. It was upgraded and began to offer Science degree course in the year 1952. The Institution expanded its activities further by starting a Law College in 1954, Girls High School in 1961, Teachers' College in 1963, Pharmacy College and Sarada Vilas Preprimary school as well in 1992.

In its 77-year glorious history, Sarada Vilas College has consistently provided quality education and expanded its wings to offer B.Com. and BBA in 2013, M.Sc. in 2014, M.Com. in 2017, B.Sc. (Hon's) in 2020-21 and BCA in 2023-24. Since then, the institution has generated countless graduates who have found success in various fields.

The feathers in our hat are Sri. N R Narayana Murthy, Founder, INFOSYS, Sri. Sethumadhava Rao, Joint Secretary (Rtd), UGC, Dr. V. S. Arunachalam, Former Defence Advisor, Govt. of India, Sri S Siddaramaiah, Chief Minister, Govt. of Karnataka, Dr. H. A. Ranganath, Director (Rtd), NAAC, Dr. K. S. ## PRINCIPAL'S DESK

Dear Students,

As the Principal of Sarada Vilas College, it is with immense pride that I address you today, celebrating a remarkable journey of 78 years of academic excellence, innovation, and community service. Since our inception in 1945, we have been committed to providing high-quality education that not only adheres to academic excellence but also fosters critical thinking, creativity, and the holistic development of our students and we are reaccredited by NAAC with A grade (CGPA:3.19) in IV cycle as a testimony.

Over these years, our college has evolved with the times while staying true to our vision and mission, and to the core values of integrity, respect. Our alumni network, spread across the globe, is a testament to the transformative education we provide, preparing our students not just for their careers but for life itself. In our continuous quest for excellence, we have expanded our academic offerings to include a range of undergraduate and postgraduate programs across the sciences, and social sciences. Among these, our Hon's Degree in Data Science and Artificial Intelligence stands as a beacon of our commitment to pioneering education in fields that are at the forefront of the Fourth Industrial Revolution. This program, designed in collaboration with industry experts and academic leaders, equips our students with the skills and knowledge necessary to thrive in an increasingly data-driven world.

As we celebrate this 78<sup>th</sup> anniversary, we are reminded of our responsibility to not only maintain but elevate the standard of education, research, and community engagement. We are dedicated to creating an environment that is inclusive, supportive, and conducive to learning which is reflected in our results. Our students have been awarded with gold medals and cash prizes for their academic excellence by the University of Mysore. College encourages extension activities such as NCC, NSS, Red Cross activities and is doing service to the society. Our NCC students have represented college in Republic Day Parade at New Delhi and our faculty, renowned for their academic and research excellence, are at the heart of our mission, guiding our students with expertise and passion.

The future holds limitless possibilities, and with the collective effort of our students, faculty, and alumni, Sarada Vilas College is poised to continue its legacy of excellence for many years to come. Together, we will continue to break new ground, inspire change, and contribute positively to our communities and the world at large. I invite you to join us on this exciting journey as we forge ahead, building on our rich legacy and shaping a future filled with promise and potential.

*"Education's purpose is to replace an empty mind with an open one." - Malcolm Forbes*

Warmest regards  
Dr. M. Devika  
Principal

## **About IQAC**

The Internal Quality Assurance Cell (IQAC) has been established with the intention of ensuring and monitoring quality across all facets of our college. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions. It promotes a holistic academic excellence through efforts and measures provided under the guidelines provided by UGC and NAAC. The IQAC has implemented several mechanisms for internalization and institutionalization of quality enhancement initiatives by taking initiatives with internal and external support, to remove deficiencies and enhance quality with a steadfast commitment to enhancing performance.

At the outset of each academic year, IQAC collaborates closely with every department and committee to formulate an annual calendar of events. This meticulously crafted calendar serves as a guiding beacon, delineating qualitative benchmarks for departments and various college committees to adhere to throughout the academic journey. It not only outlines timelines for assessments but also allocates slots for diverse cultural and sports activities, fostering holistic development among students.

Furthermore, IQAC maintains vigilant oversight to ensure the seamless execution of scheduled events within stipulated timelines. Regular meetings convened by IQAC serve as dynamic forums for strategizing on quality enhancement measures, fostering a culture of continuous improvement within our institution. IQAC has contributed significantly for the quality assurance by setting up various mechanisms related to academic, non-academic and administrative activities

### ***Roles & Responsibilities:***

- Development and application of quality benchmarks
- Parameters for various academic and administrative activities of the institution;
- Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process;
- Collection and analysis of feedback from all stakeholders on quality-related institutional processes
- Dissemination of information on various quality parameters to all stakeholders;
- Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles;
- Documentation of the various programs/activities leading to quality improvement;

- Acting as a nodal agency of the Institution for coordinating quality-related activities, including adoption and dissemination of best practices;
- Development and maintenance of institutional database through MIS for the purpose of maintaining/ enhancing the institutional quality;
- Periodical conduct of Academic and Administrative Audit and its follow-up
- Preparation and submission of the Annual Quality Assurance Report (AQAR) as per guidelines and parameters of NAAC

### **IQAC Quality Assurance Mechanisms**

#### **1. Teaching and Learning Support**

- **Mentorship System:** IQAC's structured student mentoring system assigns each teacher up to 30 students for personalized guidance. Mentors keep records of student progress and counseling sessions.
- **Exam and Course Support:** IQAC supports departments in organizing PG entrance coaching, certificate courses, and competitive exam prep.
- **Result Analysis:** At semester-end, departments review and analyze results, with IQAC conducting an annual analysis to guide improvements.

## 2. Stakeholder Feedback

- **Feedback Collection:** IQAC collects feedback from stakeholders, including students, parents, teachers, and alumni. This feedback is analyzed, leading to actions that address concerns and enhance quality.
- **Academic Audit:** The Academic Audit Committee, under IQAC, conducts an annual audit where departments perform a SWOC analysis. Recommendations are provided for departmental improvement.

## 3. Professional Development for Staff

- **Financial Support for Training:** IQAC provides financial assistance for teachers to attend professional development programs, with a policy in place to facilitate this support.
- **In-House Training:** IQAC organizes professional development and administrative training programs for teaching and non-teaching staff in line with UGC guidelines.

## 4. Support for Extracurricular Activities

- **Sports and Cultural Events:** IQAC organizes intercollegiate and university-level competitions and encourages participation to foster holistic growth. Through NCC, NSS, and Youth Red Cross activities, IQAC promotes social responsibility.

## 5. Collaborative Partnerships

- **Collaborations:** IQAC encourages partnerships with various institutions for academic and non-academic activities, through formal MoUs or informal agreements.

## 6. Quality and Environmental Audits

- **Sustainability Audits:** To support sustainable practices, the college undergoes an annual Energy and Green Audit through IQAC.

## 7. Fundraising

- **Fund Mobilization:** IQAC actively engages alumni, philanthropists, and others to raise funds. Alumni meets and initiatives by IQAC help attract donations to support college goals.

## 8. Research Promotion

- **Research Training:** IQAC organizes workshops on research methodology to support faculty research. A structured Research Policy is also in place to encourage faculty involvement in research.

## 9. Career Guidance and Placement

- **Student Placement:** Through a dedicated career guidance and placement cell, IQAC organizes campus drives and provides career orientation to help students secure job opportunities.

### **IQAC Plan & Achievement**

Keeping the recommendations of the report of the NAAC 4<sup>th</sup> Cycle assessment, for the year 2023-24, IQAC has set a plan of action focusing on addressing some of the possible recommendations from that list. Along with the mundane quality improvement and quality sustenance strategies, focusing on its Plan of Action based on the recommendations of NAAC 4<sup>th</sup> cycle, IQAC put a true and hard effort in achieving those plans for 2023-24. Following table gives a glimpse of plan versus achievement for the year 2023-24.

#### **IQAC Plan v/s Achievement during the year 2023-24**

<b>Plan</b>	<b>Achievement</b>
To prepare for the peer team visit of NAAC 4 <sup>th</sup> Cycle accreditation	College successfully faced the peer team visit and got 'A' grade in NAAC's 4 <sup>th</sup> cycle assessment.
To prepare the academic calendar and carry out events as per the same.	The academic calendar was prepared and executed during the year.
To organize national/ international-level conferences/ FDPs/ seminars/ workshops. To continue to organize seminars/ webinars and special talks.	A one-day national-level workshop on Recent Trends in Research Methodology was organized by the Post Graduate Department of Chemistry on 23 <sup>rd</sup> January 2024. A one-day international-level seminar was organized on 24 <sup>th</sup> February 2024 by the departments of Botany and Microbiology on "Neurodegenerative disorders and inflammation".
To organize Faculty Development Programs for teaching staff and Administrative Training Programs for non-teaching staff	A faculty development program was organized for the teaching staff from 3 <sup>rd</sup> October 2023 to 7 <sup>th</sup> October 2023 in association with ICT Academy. The FDP was on Microsoft Azure AI A five-day International level FDP on recent developments in research and research methodology in social sciences was organized by the Department of Commerce and Business and Administration from 6 <sup>th</sup> to 10 <sup>th</sup> June 2024. A one-week Tally training was organized for the office staff of our college was organized from 4 <sup>th</sup>

### 1. NAAC:

Our institution proudly received re-accreditation from the National Assessment and Accreditation Council (NAAC) with an "A" grade, securing a commendable CGPA of 3.19 in its fourth accreditation cycle. This achievement reflects our commitment to academic excellence, quality enhancement, and continuous improvement across all areas of education and institutional development.

### 2. NEP:

The National Education Policy (NEP) was proposed in 2020 and was implemented in 2021-22. This educational framework, aims to create a holistic, flexible, and multidisciplinary educational framework. It emphasizes skill development, critical thinking, and creativity to prepare students for the demands of a globalized world. The NEP envisions an inclusive, equitable, and innovative education system aligned with the evolving job market, which aligns with our college's vision, facilitating seamless adoption and effective implementation

### 3. COURSES & ENROLLMENT:

Our college offers a range of undergraduate programs, including B.Sc., B.Com., BBA, BCA, and B.Sc. Honors. Additionally, we offer postgraduate programs in M.Sc. Chemistry and M.Com. The B.Sc. program is of 3 years duration and covers disciplines such as Physics, Chemistry, Mathematics, Botany, Zoology, Biotechnology, Microbiology, Biochemistry and Computer Science. These subjects are grouped into two-subject combinations under the NEP Framework, allowing students to select from optional languages and courses for a tailored learning experience. Available combinations include BZ, BC, ZC, PC, MC, PM, PCs, MCs, MbBt, MbBc, and BtBc. The B.Com, BBA and BCA programs are also of 3 years duration. The B.Sc. Honors program on Artificial Intelligence and Data Sciences is of 4 years duration. The M.Sc. Chemistry and M.Com courses are of 2 years duration. The admission for the respective programs is given below.

#### 5. STUDENT SKILL-ORIENTED OR EXPERIENTIAL LEARNING ACTIVITIES:

Students are exposed to academic and industrial workings through skill-oriented activities like field visits, internships, or project works. Through field visits students get to engage with experts; and experience the applications of the most current methodologies and technologies; allowing them to stay informed on the latest developments in their fields. Students are also provided opportunities for hands-on experience through project works and internships; where students get to work directly within their chosen fields to develop practical skills, tackle real-world challenges, and build the expertise needed to excel in their future careers.

#### 8. CAPACITY-BUILDING & SKILL ENHANCEMENT PARTICIPATIONS:

Our institution actively encourages and supports faculty members to participate in training and development programs or capacity-building activities to enhance their professional development and stay updated with the latest advancements in their respective fields. Faculty members are provided with opportunities to engage in local, national and international forums, enabling them to exchange ideas, gain insights, and develop innovative teaching methodologies. Participation in such events fosters interdisciplinary collaboration, enriches academic expertise, and contributes to the institution's knowledge capital. Additionally, the experience gained by faculty is shared through in-house training sessions and departmental discussions, ensuring a collective growth in academic and research capabilities.

## 9. PROFESSIONAL DEVELOPMENT PROGRAMS:

Our college organizes and/or encourages the faculty to undergo various training and development programs such as FDP and refresher courses to enhance their skills, knowledge, and teaching methodologies, contributing to their professional growth and academic excellence. These programs are organized with the goal of advancing teaching methods, research capabilities, and professional practices, ensuring that faculty members stay updated on the latest advancements in their fields. Such initiatives strengthen our institution's commitment to delivering quality education and maintaining high academic standards.

#### 10. PUBLICATIONS:

The institution actively supports and encourages research activities among faculty resulting in a notable number of publications in reputed national and international journals. Research efforts spanned diverse disciplines, focusing on innovative and subject relevant topics. By providing resources such as access to research databases, funding for projects, and opportunities to collaborate with academic and industrial partners, the institution fostered a vibrant research environment. This underscores the institution's commitment to promoting a strong research culture and contributing meaningfully to academic and societal advancements.

## 12. EXTENSION ACTIVITIES:

Our college actively conducts a range of extension activities that emphasize community engagement and social responsibility. Through initiatives such as health camps, environmental conservation drives, and literacy programs; our students and faculty work towards addressing key social and environmental challenges. We also organize awareness programs and vocational sessions, empowering students, staff and members of the community to strive for societal and economic self-sufficiency, and to instil commitment to social welfare, and a strong sense of civic responsibility.

### 13. INFRASTRUCTURE:

Sarada Vilas Educational Institution has a well-developed campus area of 10.10 acres (40897.65 Sq. Mts.). The total floor area of the building is 3018.79 sq. m. and the total playground area is 20846.24 Sq. Mts. According to its vision and mission, it is well equipped with various modern facilities to achieve academic excellence. Totally, there are 3 blocks in the campus.

**“A” block-** It has 3 classrooms and 12 laboratories, Principal chamber, an administrative office, 1 IQAC room, 7 staffrooms, 1 Central library, 1 reading room, 1 IT Cell, 2 rest rooms, 5 washrooms, 1 Gymnasium, 1 Botany and Zoology Museum, 4 Stockrooms and 1 Potable drinking water unit.

**“B” block-** It has 3 Classrooms, 1 Auditorium, 1 Audio-Visual (A-V) hall with a seating capacity of 150 students, 1 NSS and 1 NCC rooms, 1 Multipurpose Hall and 1 Wash room.

**“C” block-** It has 16 classrooms, 4 laboratories, 1 central office, 1 board room, 1 pantry, 1 advanced research laboratory, 3 staff rooms, 4 wash rooms, 2 stockrooms, 1 canteen, 1 Vermiculture unit and parking area.

**ICT Facility-** The College has various ICT devices like Desktops, Laptops, Printers, Smart board, Speaker sets, LCD Projectors, Document scanners and Servers. The College has 237 computers including computer science laboratory, mathematics laboratory, B.Sc. ## 22. COMMEMORATIVE DAYS:

Our college actively organizes events on important commemorative days to foster a spirit of patriotism, cultural awareness, and social responsibility among students and faculty. These are celebrated by organising special programs like speeches, cultural performances, and discussions that highlight the significance of these occasions. These events not only honor our heritage but also encourage students to reflect on the values and ideals associated with each day. By celebrating such days, we strive to create a vibrant campus atmosphere rooted in respect for national and cultural history.
