## PRINCIPAL'S DESK

Dear Students,

As the Principal of Sarada Vilas College, it is with immense pride that I address you today, celebrating a remarkable journey of 78 years of academic excellence, innovation, and community service. Since our inception in 1945, we have been committed to providing high-quality education that not only adheres to academic excellence but also fosters critical thinking, creativity, and the holistic development of our students and we are reaccredited by NAAC with A grade (CGPA:3.19) in IV cycle as a testimony.

Over these years, our college has evolved with the times while staying true to our vision and mission, and to the core values of integrity, respect. Our alumni network, spread across the globe, is a testament to the transformative education we provide, preparing our students not just for their careers but for life itself.

In our continuous quest for excellence, we have expanded our academic offerings to include a range of undergraduate and postgraduate programs across the sciences, and social sciences. Among these, our Hon's Degree in Data Science and Artificial Intelligence stands as a beacon of our commitment to pioneering education in fields that are at the forefront of the Fourth Industrial Revolution. This program, designed in collaboration with industry experts and academic leaders, equips our students with the skills and knowledge necessary to thrive in an increasingly data-driven world.

As we celebrate this 78th anniversary, we are reminded of our responsibility to not only maintain but elevate the standard of education, research, and community engagement. We are dedicated to creating an environment that is inclusive, supportive, and conducive to learning which is reflected in our results. Our students have been awarded with gold medals and cash prizes for their academic excellence by the University of Mysore. College encourages extension activities such as NCC, NSS, Red Cross activities and is doing service to the society. Our NCC students have represented college in Republic Day Parade at New Delhi and our faculty, renowned for their academic and research excellence, are at the heart of our mission, guiding our students with expertise and passion

The future holds limitless possibilities, and with the collective effort of our students, faculty, and alumni, Sarada Vilas College is poised to continue its legacy of excellence for many years to come. Together, we will continue to break new ground, inspire change, and contribute positively to our communities and the world at large.

I invite you to join us on this exciting journey as we forge ahead, building on our rich legacy and shaping a future filled with promise and potential.

## FACILITIES

In order to encourage the students to develop their all-round personality, the College lays emphasis on both curricular and co-curricular activities. Keeping this in view, the College offers a wide range of facilities for the benefit of students. They should use all these facilities and grow up as bright students and responsible citizens.

First and foremost, the College Library, aptly called the nerve centre, has an excellent collection of books on all subjects. In addition, it subscribes to a number of journals and magazines, and has a good collection of CDs, DVDs and Audio Cassettes. As a supplement to the College Library, all the departments have their own libraries to help the students.

The College encourages the students to keep abreast of the latest happenings in the areas of science and technology. In this direction, special lectures by experts, seminar workshops are arranged regularly. They will be held in the Audio-Visual Centre, an exclusive and well-furnished hall.

Students are taken out for industrial visits for a first-hand experience of the industry. They will be richly benefitted by this practical experience.

All the departments organize seminars by students which will enable them to work on their own, prepare papers and present them before their teachers and classmates. Besides, they are encouraged to participate in various science exhibitions, cultural programmes and literary competitions.

The College has a Network Resource Centre where the students can visit various websites to update their knowledge. This facility is offered with an intention to empower the students and hence it is totally free of cost.

The College has a Career Guidance and Placement Cell which guides the students about their education, employment and career. It trains them to write the entrance tests and face the interviews confidently.

Both outdoor and indoor games are given equal importance. There is a multi-specialty gymnasium with highly sophisticated equipments. Besides, there is a sprawling playground for outdoor games and a compact hall for indoor games. To enable the students to develop leadership qualities, the College has both NCC (Army and Navy) and NSS.

A canteen is housed in the College campus to help the students.

***RO water plant is installed in the campus to ensure the supply of safe & pure drinking water***
