A report on the sarvodaya devas on 30-01-24

The NSS Unit of Sarada Vilas College organized Sarvodaya Diwas, observed annually on January 30th in India, to pay homage to the brave souls who sacrificed their lives for the freedom and welfare of the nation. This day holds particular significance as it marks the Punyatithi (death anniversary) of Mahatma Gandhi, the Father of the Nation. Martyrs' Day is steeped in historical importance, symbolizing the spirit of sacrifice and the relentless struggle for independence.

The guest for the program was Prof. Sathyanarayana, Dean of the Department of Commerce and Business Administration. He spoke about the significance of Martyrs' Day in India, highlighting that March 23rd is remembered as the day when three courageous freedom fighters—Bhagat Singh, Shivaram Rajguru, and Sukhdev Thapar—were executed by the British.

Mr. Mahendra B.S., NSS Program Officer, administered the oath, which was repeated by both faculty and students, reinforcing the collective commitment to honor the sacrifices made by those who fought for India's freedom.

A brief report on shramadana 11-11-2023

On November 11, 2023, the NSS Unit of Sarada Vilas College organized a cleanliness drive, known as Shramadana, on the college campus. Shramadana refers to voluntary and physically demanding contributions aimed at improving society. This initiative serves as a way to give back to the community by making meaningful changes that enhance and clean the environment we live in.

As part of the drive, the volunteers focused on cleaning various areas of the college campus, including the playground and its corners. A total of 45 volunteers participated in the effort, receiving guidance on effective waste management practices. They were instructed on how to separate dry and wet waste, ensuring a systematic approach to cleanliness.

The collected wet waste was later utilized for vermiculture composting, demonstrating an environmentally friendly method of waste disposal. This initiative not only contributed to a cleaner campus but also educated participants about sustainable practices and the importance of waste segregation in maintaining a healthy environment.

On November 27, 2023, the National Service Scheme (NSS) Unit of Sarada Vilas College observed Constitution Day, also known as National Law Day, to commemorate the promulgation of the Indian Constitution. This event aimed to inspire adherence to the guiding principles of the Constitution while providing today's youth with an opportunity to understand the significance of this foundational document. The celebration commenced with a reading of the Preamble, which ignited a sense of nationalism among the students. Over eighty NSS volunteers actively participated in the activity.

The program was supervised by Dean Prof. Satyanarayana, who guided students in understanding the Preamble and highlighted the importance of the original manuscript retained by the college. Dr. Ananda G. introduced the program, emphasizing its relevance, while Mr. Mahendra B.S., NSS Officer, oversaw the entire event and delivered the vote of thanks, expressing gratitude to all participants and faculty involved.

This observance not only fostered a deeper appreciation for the Constitution among students but also reinforced their commitment to uphold its values in their daily lives.

A report on visit to adoption village

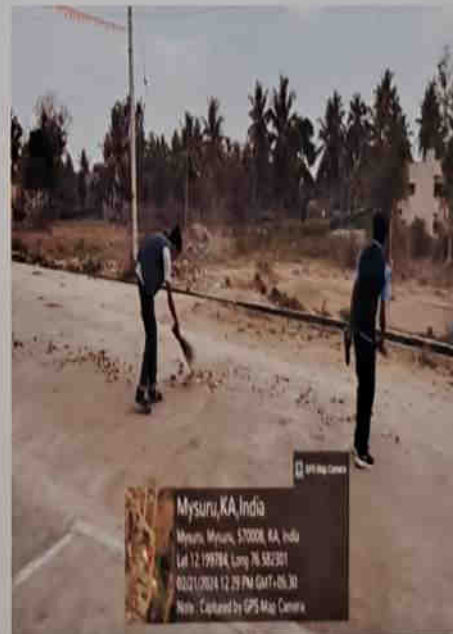

On February 21, 2024, Sarada Vilas College adopted Kellalli Village with the goal of uplifting the community and encouraging cleanliness among the villagers. Located approximately 15 kilometers from the college along the HD Kote main road, the village is home to around 150 houses and a population of approximately 500 people. It also features a Government primary school.

The team departed from the college at 10:30 AM and arrived in Kellalli by 11:00 AM. The volunteers began their initiative with a jaatha, singing the NSS song and chanting slogans to raise awareness about various important issues, including blood donation, cleanliness, water conservation, tobacco cessation, and environmental protection. They also educated the villagers about various government schemes available for rural development. After the awareness campaign, the volunteers dedicated time to cleaning the roads and picking up plastic waste, making the village a plastic-free zone for the day. Additionally, they engaged local school students in games designed to enhance their skills.

The objective of adopting Kellalli Village is to foster integrated development in the community, encompassing economic growth, infrastructure enhancement, and improvements in key areas of human development such as education, health, and drinking water supply. This initiative will help identify the needs and priorities of the villagers, utilize resources from existing government schemes, and repair and renovate existing infrastructure for better living conditions.

Report on world no Tobacco Day

The NSS unit of Sarada Vilas College observed "World No Tobacco Day" on June 4, 2024, in partnership with Radio Mirchi 104.8. The main aim of this initiative was to raise awareness about the detrimental effects of tobacco on health and society. Students from the M.Com program participated actively, engaging with the activities and discussions planned for the day.

During the event, staff members from Radio Mirchi shared their personal experiences related to tobacco use, emphasizing both the advantages and disadvantages of smoking and other tobacco products. The interaction encouraged students to think critically about the impact of tobacco on their lives and communities. Additionally, the Radio Mirchi team organized fun games that facilitated a deeper connection among the participants while reinforcing the event's educational themes.

The program was part of a larger initiative, "Let's Break Up with Tobacco," which Radio Mirchi conducted over seven days at various colleges in Mysuru. This campaign aimed to educate youth about the risks associated with tobacco use and promote healthier lifestyle choices. The event was attended by Dr. Jyothi A.N., HOD of the Department of Commerce and Business Administration, along with other faculty members and NSS Program Officer Mr. Mahendra B.S., who all contributed to the success of the program.

Report on World Day against Child Labour on 12-06-2024

Every year on June 12th, the International Labour Organization (ILO) partners with various stakeholders globally to observe the World Day against Child Labour. The theme for this year, "Let's Act on Our Commitments; End Child Labour," highlights the collective responsibility to advocate for the rights of children and ensure their protection from exploitation.

In line with this global initiative, the NSS unit of Sarada Vilas College organized a program aimed at raising awareness about the urgent need to eliminate child labour. The event was inaugurated by Dr. Devika M., Principal of SVC, and NSS Program Officer Mr. Mahendra B.S. They emphasized the importance of addressing this critical issue in our society and the role of education in creating awareness.

Students from the M.Com program actively participated by taking an oath to educate their peers and the community about the steps necessary to combat child labour. The program was also attended by faculty members Dr. Ananda G., Mrs. Arpitha K., and Dr. Jyothi A.N., who contributed to the discussions and reinforced the significance of this initiative in promoting children's rights and welfare.

Report on International yoga day on 21-06-2024

Sarada Vilas College organized a special program for 'World Yoga Day,' in collaboration with the Internal Quality Assurance Cell (IQAC), the Department of Physical Education, and the National Service Scheme (NSS).

Dr. M. Devika, Principal of Sarada Vilas College, emphasized that yoga serves as a powerful medium for achieving stability in the body, mind, and spirit.

Mr. Kishore M.R., a Yoga Coach from the University of Mysore, raised awareness about the significance of yoga by demonstrating various yogasanas. He stated, "Many people understand yoga in a general sense, but its essence extends far beyond that. It encompasses the vastness of spirituality. The senses act as horses for the chariot of the human body, and it is the mind that controls them. The purpose of yoga is to cultivate the mind." Additionally, Dr. Anand G., Assistant Professor of Kannada, highlighted that "yoga is a science and a powerful tool to eliminate violence, cruelty, racial hatred, and impurities within humanity." The event was attended by teachers, researchers, and students, all of whom engaged in this enlightening discussion on yoga's profound impact.

This program, guided by the tagline "Employability with Empathy and Emotion," aims to equip young women with crucial life and soft skills needed to navigate today's complex society.

To implement this initiative, Mahindra has partnered with the Naandi Foundation, one of India's largest and fastest-growing social sector organizations dedicated to eradicating poverty in the country. Together, Mahindra and Naandi are delivering soft skills training to young women across India.

In the 2023-24 academic year, this collaboration continued with a focused 5-day training program on "Employability Skills." The 30-hour course was conducted from October 3rd to October 7th, 2023, targeting final-year female students to better prepare them for the workforce.
